

Additional Livestock Equipment

Portable Loading Chute

Wolmanized wood on both floor and sides. Chute sides hinge for different truck bed heights. Comes with retractable tongue for towing flat.

12' L x 30" W (26" wide inside)

Grooming Chute

Made of heavy gauge 2" x 2" sq. tubing. Side rails hinge at both ends. Folds together for easy transport.

Options (Not Illustrated)

- Head tie bar
- Bracket at top and bottom (for inserting a bar vertically to keep livestock in chutes)
